Anexa nr.65

la Regulile generale pentru organizarea și desfășurarea jocurilor de noroc cu risc social scăzut prin intermediul rețelelor de comunicații electronice de către S.A.

„Loteria Națională a Moldovei”
Corespond prevederilor
Legii nr.291/2016

REGULILE JOCULUI ELECTRONIC DE LOTERIE MOMENTANĂ “ZEUS QUEST”

Art. 1. (1) Jocul electronic de loterie momentană “ZEUS QUEST” este organizat și desfășurat prin intermediul site-ului www.7777.md de către Societatea pe Acțiuni „Loteria Națională a Moldovei”, în parteneriat cu S.R.L., „NGM Company”, cărora li s-a atribuit sarcina de organizare și desfășurare a jocurilor de noroc cu risc social scăzut ce constituie monopol de stat, în baza Contractului de parteneriat public-privat, nr.1/09 din 23 aprilie 2018, pentru dezvoltarea activităților Loteriei Naționale a Moldovei din sectorul loteriilor și pariurilor la competiții/evenimente sportive, inclusiv prin intermediul rețelelor de comunicații electronice, în condițiile Legii 291/2016 cu privire la organizarea și desfășurarea jocurilor de noroc și a cadrului normativ subsecvent.

(2) Organizatorul stabilește data plasării biletelor electronice de tip “ZEUS QUEST” pe serverul sistemului electronic de loterie (emisiei) și data începerii distribuției lor.

Art. 2. (1) Biletele electronice pentru loteria momentană de tip “ZEUS QUEST” sunt create în patru varietăți în dependență de prețul lor nominal.

(2) Prețul unui bilet electronic “ZEUS QUEST” în dependență de varietate este de 2,00 lei, 5,00 lei, 10,00 lei și 20,00 lei.

(3) Fiecare varietate de bilet, în cadrul jocului electronic de loterie momentană “ZEUS QUEST”, se desfășoară cu un număr total de 5.000.000 de bilete.

Art. 3. Designul biletelor electronice pentru loteria momentană “ZEUS QUEST” este elaborat de Organizatorul jocului.

Art. 4. (1) La joc pot participa doar persoanele fizice care au împlinit vârsta de 18 ani, îndeplinesc cerințele stabilite de legislația Republicii Moldova față de participanții la jocurile de noroc, care s-au înregistrat pentru participarea la jocurile online desfășurate de către Organizator și au un cont de joc deschis în conformitate cu Condițiile de utilizare a site-ului www.7777.md.

(2) Prin înregistrarea pe site-ul www.7777.md și prin participarea la jocul “ZEUS QUEST” se subînțelege că participantul este familiarizat cu regulile în vigoare, le acceptă și se obligă să le respecte.

Art. 5. Condițiile în detalii ale jocului

(1) Înainte de a începe jocul, participantul alege tipul biletului, reieșind din prețul acestuia. *De exemplu:* la alegerea varietății biletului cu prețul de 2 lei, se încarcă jocul “ZEUS QUEST”.

Jocul începe prin apăsarea butonului „Joacă”, după care se afișează 4 „SIMBOLURI CÂȘTIGĂTOARE”, care trebuie comparate cu cele 20 secțiuni cu „SIMBOLURILE DUMNEAVOASTRĂ”. Toate simbolurile se deschid automat după apăsarea butonului ”Joacă”.

„SIMBOLURILE DUMNEAVOASTRĂ” pot fi de diferite dimensiuni, individuale sau cvadruple, fiind afișate în cele 20 de secțiuni de pe câmpul de joc. Jocul “ZEUS QUEST” conține douăsprezece tipuri de simboluri de joc.

(2) Participantul înregistrează câștig în cazul în care, pe câmpul de joc unul sau mai multe dintre simbolurile câștigătoare coincid cu „SIMBOLURILE DUMNEAVOASTRĂ”. În cazul în care, în jocul de bază, este afișat un simbol “BONUS”, Participantului i se oferă posibilitatea de a selecta unul dintre cele două JOCURI BONUS oferite de joc: “WAGON WHEEL” sau “GO BACK AND WIN”.

(3) Jocul “WAGON WHEEL”

La selectarea jocului gratuit “WAGON WHEEL”, se afișează o roată cu 22 de zone și câștigul afișat pentru zona respectivă. Zonele câștigătoare indicate pe roată sunt evidențiate în culoare aurie. Numărul de zone câștigătoare este determinat de numărul de simboluri “MONEDA” amplasate pe câmpul de joc, în timpul câștigului JOCULUI BONUS.

Pentru a acționa roata, participantul urmează dea click pe butonul “SPIN”. După ce roata se oprește, premiile din zonele câștigătoare sunt transferate la câștigul în monedele care au început JOCUL BONUS.

În cazul în care, în zonele câștigătoare, apare un sector cu multiplicator 5x sau 10x, câștigul acumulat în zonă și câștigul în monede este înmulțit cu multiplicatorul corespunzător.

În cazul în care în zonele câștigătoare apare atât sectorul cu multiplicatorul 5x, cât și cu multiplicatorul 10x, câștigul acumulat în zonă și câștigul în monede este înmulțit cu un multiplicator total de 50x.

Câștigul total obținut în JOCUL BONUS este afișat și adăugat la contul de joc al participantului, după care se trece la jocul principal.

Art.6.(1) Biletele electronice pentru jocul de loterie momentană “ZEUS QUEST” sunt generate, în conformitate cu prevederile legislației în vigoare.

(2) Biletele de loterie electronice se generează cu cel puțin 24 de ore înainte de distribuția/punerea în vânzare a acestora. Emiterea, din numărul total de bilete al jocului de noroc, fiind după caz periodică, conform necesității, la decizia Organizatorului.

Art.7. Biletele de loterie electronice conțin următoarele informații prezentate pe site-ul organizatorului:

- denumirea organizatorului loteriei,
- denumirea loteriei
- numărul biletului de loterie electronic,
- prețul biletului de loterie
- data și timpul creării biletului de loterie,
- tabelul de distribuire și achitare a câștigurilor.

Pentru a vizualiza integral informația respectivă participantul accesează prin clic butonul „Setări/Informație”.

Art.8. (1) Fiecare varietate de bilet din cadrul Jocului electronic de loterie momentană “ZEUS QUEST” poate avea una sau mai multe ediții, desfășurate în conformitate cu prezentele reguli. Organizatorul va începe distribuția următoarei ediții în cadrul jocului doar după epuizarea tuturor biletelor din ediția precedentă.

(2) Fondul de câștig pentru orice varietate și/sau ediție de bilet din cadrul Jocului electronic de loterie momentană “ZEUS QUEST”, nu va fi mai mic de 85 % din valoarea de vânzare totală a biletelor generate, luate separat pe fiecare ediție și/sau varietate.

(3) Organizatorul, până la începerea distribuției, publică pe pagina sa web structura câștigurilor, pentru fiecare varietatea și ediție de bilet în parte.

Art. 9. Determinarea și plata câștigurilor

- (1) Determinarea biletelor câștigătoare se face conform condițiilor expuse la art.5.
- (2) Producătorul biletelor electronice de loterie momentană "ZEUS QUEST" deține și, la solicitarea Organizatorului, prezintă informația privind biletele câștigătoare.
- (3) Câștigurile bănești obținute în urma jocului cu biletul electronic de loterie momentană "ZEUS QUEST" se achită la sfârșitul evenimentului de joc (în conformitate cu prevederile art.15 din Legea 291/2016 cu privire la organizarea și desfășurare jocurilor de noroc) prin adăugarea la soldul contului de joc, de pe care a fost cumpărat biletul.
- (4) Suma câștigurilor din JOCURILE BONUS și/ sau urmare aplicării MULTIPLICATORULUI este adăugată la suma câștigului obținut din jocul de bază, iar câștigul total este transferat în contul de joc al participantului de pe site-ul www.7777.md.

Art. 10. (1) În procesul organizării jocului electronic de loterie momentană prevăzut de prezentele Reguli, Organizatorul asigură conexiunea permanentă a sistemelor sale informatice la rețeaua internet. Organizatorului nu-i pot fi imputate situațiile care duc la întreruperea jocului din cauza echipamentului de acces pe site-ul www.7777.md utilizat de participantul la joc, sau din cauza furnizorului de servicii de comunicații electronice utilizat de acesta (de jucător), precum și în cazuri de forță majoră, evenimente accidentale ș.a. care nu depind de Organizator.

(2) În cazul în care un anumit joc (pentru o miză, sau urmare selectării opțiunii „Joc automat”) va fi întrerupt după generarea/comercializarea biletului electronic de loterie momentană, sistemul informatic central al Organizatorului va finaliza jocul reflectând rezultatul acestuia în istoricul jocurilor de noroc din contul de joc. Orice câștig rezultat în urma unui joc întrerupt va fi transferat în soldul contului de joc. Jocurile neîncepte vor fi disponibile la restabilirea conexiunii.

(3) Organizatorul nu este obligat să ramburseze sumele achitate de participant la procurarea biletului de electronic loterie, în jocurile care au fost întrerupte automat, inclusiv în legătură cu apariția și expirarea circumstanțelor specificate în alin.(1) și (2).

(4) Organizatorul poate decide suspendarea și/sau stoparea desfășurării jocului, doar după informarea participanților prin intermediul paginii sale web. Decizia respectivă se aduce la cunoștință de către Organizator autorității competente.

Art.11. Reclamațiile participanților la jocul electronic de loterie momentană "ZEUS QUEST" se examinează în conformitate cu art.27 din Regulile generale pentru organizarea și desfășurarea jocurilor de noroc cu risc social scăzut prin intermediul rețelelor de comunicații electronice de către S.A. „Loteria Națională a Moldovei”.

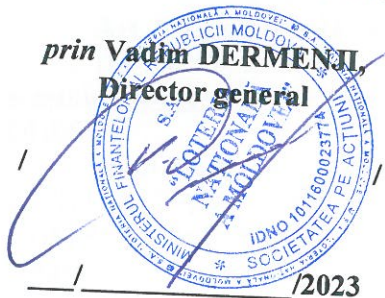

Art.12. (1) Prezentele Reguli sunt elaborate de către S.A. „Loteria Națională a Moldovei” și SRL „NGM Company” SRL, intră în vigoare din momentul coordonării lor de Agenția Servicii Publice și publicării pe site-ul www.7777.md.

(2) Prezentele Reguli pot fi modificate de către Organizator, integral sau parțial, fără restricții de timp. Modificările vor intra în vigoare din momentul coordonării și publicării lor pe site-ul www.7777.md.
